# Chemetell Techcool 3700 For Grinding operation process

Nachi tests Chemetall Techcool starts with a machine in 2019

After successful testing, they completely converted all grinder cooling systems to Chemetall Techcool 3700 with the following advantages

- ☑ No smell
- ☑ Metal powder will sink to the bottom of the tank
- ☑ Better heat transfer
- ☑ Better finished parts
- ☑ Longer service life compared to previous coolants
- ☑ No rust
- ☑ No greasy problem
- ☑ No skin irritation issues
- ☑ Extend wheel life
- ☑ Good Flushing
